Hi Angela,

Thanks for sending me the letter. I am disappointed it turned out this way with Ryan unhappy. I asked Mark to help me out while I went on a cruise with my family from June 10th to June 15th. We normally cover for each other when we need to take time off since we are in the same firm. I thought I would have cell phone access while on the cruise, but there was a bad storm and I didn't. Ryan tried to call me to get my opinion on the septic tank, but he could not reach me. They went ahead and got an amendment signed by the seller and closed. Next time, I'll let you know when I have someone else cover for me, so you aren't surprised if you get a call. I really wish this would have turned out better!

Regards,

Jane Clark

Hey Angela!

Exciting news…. Ryan is officially under contract on 123 North Main Street! His wife is so excited! We're closing in June, which is a great, as it will give them a little time to get settled before their due date in August.

Thanks so much for all your help!

Jane Clark

Good afternoon,
I talked to Ryan, and he thinks the house will be perfect. As we discussed, Jane Clark will represent the buyer, Ryan Smith, and David Jones will represent the seller. Best of luck with contract negotiations!
