Good morning,
I hope you are doing well. I have a termination for the contract for 4659 Laurel Street, Atlanta, GA 30319. The buyer and seller cannot agree on who is entitled to the earnest money.

Thank you,

Christine James

Hey Chistine,

I am so sorry this contract did not work out. Please find attached the termination signed by the buyer, along with a copy of the loan denial letter. My buyers really loved the home and are so disappointed it did not work out to include their existing mortgage payment. If things change down the road and the lot is still available, we'd love to make another offer. Thanks so much for all of your help.

Best, Rachel
